# Happy New Year!

Here's to a year full of hopes and dreams fulfilled!  
Many Blessings for a Prosperous 2012!

## DOMESTIC ADOPTION

**Congratulations to the Ellis & Cunningham Families on their new additions this month!**

The domestic program has also started working directly with birth mothers. There is a steady increase in the need for pregnancy counseling. We are still in need of families willing to adopt bi-racial and African American children. Please contact Jessica Niko by calling 770-965-3744 or via email at [jessica@oneworldadoptions.org](mailto:jessica@oneworldadoptions.org) if interested.

We are excited to see our domestic program grow and are looking forward to helping create new families in 2012!

## MORE REASONS TO CELEBRATE

CONGRATULATIONS to a few of our new forever families!! It's a very exciting time for...

Clay, a single father, who recently traveled to bring home his 2 sons at the OWAS Orphanage in the Congo.

Andrew and Laura, who also traveled to bring home their 2 daughters from the Congo.

And lastly, Amy and Jeff travelled to bring home their daughter. While they were there, they took over 250 photos of the orphanage, surrounding grounds, children rooms, meal time, and more. They were able to share the photos (some pictured below) with all other Congo adoptive families. What a blessing for everyone involved!
